1.4 FORMS OF TENDERS

The tender for each contract shall be complete. It's the tenderer's responsibility to acquaint himself with the nature and extent of the works to be tendered for and the recorded standards set out by MSC. The timely completion of the works in accordance with the Programme of work set out in schedule 1 of the conditions of contract is of essence to this contract. The Tenderer shall submit a work Programme with his tender price.

The Tenderer shall bear all costs with the preparation and submission of his Tender and the employer will in no case be responsible or liable for these costs.

The Tenderer will be deemed to have read and understood these documents.

1.5 THE SPECIFICATION

The specification defines the work to be carried out by the contractor. All dimensions and quantities stated in these documents are for the purposes of estimating the extent of work and preparing the Tender.

The contractor shall be responsible for establishing the accuracy of such information in the event of the award of the contract.

1.6 SPECIAL NOTES

The Contractor is required to check the number of pages of these Bills of Quantities together with all collections and summaries and should he find any missing or in duplicate or figures indistinct, he must inform the Purchasing Manager at once and have the same rectified.

Should the contractor be in doubt as to the precise meaning of any item, word or figure for any reason whatsoever, he must inform the Purchasing Manager in order that the correct meaning may be decided upon before the date of submission of the Tender.

No liability whatsoever will be admitted nor claim allowed in respect of errors or in the contractors due to mistakes, which should have been rectified in manner described above.

The working hours shall be from 7.00 a.m. to 5.00 p.m. i.e. from Monday to Thursday. On Friday shall be from 7.00 am to 4.00 p.m. or as indicated in the scope of work clause. In case of any special assignment, the employer shall communicate to the contractor and agree before commencement of the assignment.

1.7 INSURANCE

The Tenderer's attention is drawn to the requirement of MSC for the contractor to put into place, and provide evidence of insurance policies covering contractor's damage of MSC property, injury to employer's workers and agents and injury to third parties.

The contractor shall, prior to commencement of any work on the site, effect and maintain until the works are taken over by the employer a policy of insurance with insurers acceptable to the employer in the joint names of the employer and the contractor thus:

- a) In respect of liability for any loss or damage to any property (other than property forming part of works) and for death or personal injury caused to any person including any employee of the Employer) arising out of or in connection with the works in respect of any one incident or a series of incidents arising from one event, including damage to the employer's property and damage to third party (third party liability).
- b) In respect of his liability for workman's compensation.

The contractor shall take every practicable precaution not to damage any property or injure any persons. The contractor shall satisfy all claims founded on any such damage or injury which arise out of or in consequence or any operations under the

contract whether such claims are made by the Employer or by a third party against the contractor or against the employer, and the contractor shall indemnify the Employer against all actions, suits, damages, claims, demands, costs, charges and expenses arising in connection therewith, provided however, that nothing in this condition shall render the contractor liable for any injury or damage resulting from negligent act of omission of the employer, his employees or agents or any other contractor employed by the Employer.

The contractor shall from time to time when so required by the employer produce the policy and proof of payment of the premium or other satisfactory evidence cover being in force.

If the contractor shall fail to effect and maintain the insurance as referred to in the contract, the Employer may effect and maintain any such insurance and pay such premiums as may be necessary for that purpose from time to time, deduct the amount so paid by the employer from the monies due to the contractor.

1.8 COMMUNICATION
